---

### You are invited to attend:

The Mining Association of British Columbia, Teck Resources Limited, New Gold, Absorbent Products Ltd. and the Kamloops Chamber of Commerce are pleased to invite you to a unique opportunity to celebrate BC Mining Week in Kamloops.

To celebrate the resurgence of mining and the development of new opportunities, MABC President Pierre Gratton requests the pleasure of your company at a business luncheon at the Kamloops Convention Centre.

The luncheon will provide business leaders in Kamloops with the opportunity to hear about the renaissance of the British Columbia mining industry and what this means for the community. There will also be the exciting opportunity to be photographed with the Olympic medals provided by Teck Resources, with proceeds going to the BC Children's Hospital.
